ADVYZER PRO30

MERIDIAN
AUTOMOTIVE SOLUTIONS

24/7 Key Drop & Check-In

Designed for a secure customer experience

Enhance your dealership's customer experience with the AutoVyzer Pro30, a 24/7 key drop and return solution designed to streamline vehicle service and customer check-in. Featuring 30 dedicated key return pods, the Pro30 provides secure, convenient access for after-hours key drop-off and retrieval while helping dealerships simplify service and payment workflows.

Customer and Dealership Benefits

- 90% of customers prefer a self-led check in option
- Improve efficiency with fast check-in under 2 minutes
- Accurate data capture
- Improve your upsell revenue by 20%
- Your service department is accessible 24/7
- Customized digital messaging to your customers

Designed in the USA. Controlled End-to-End.

Meridian designs and engineers every solution in-house, with integrated oversight of quality and timelines from concept through completion. OEM solutions available upon request.
