MERIDIAN
SMART LOCKER SOLUTIONS

Customer Locker

Designed for Secure, Convenient Pickup & Storage

Meridian's Customer Locker provides a secure and convenient way to store and retrieve items purchased online, with delivery directly to your location. Fully integrated systems provide transparent usage tracking and remote management, while tamper-resistant materials and a durable powder coat finish provide lasting performance. Designed to simplify pickup and give customers convenient access to their purchases, the Customer Locker delivers a secure, streamlined experience.

Features:

- Various compartment sizes
- 24/7 contactless delivery and retrieval
- Available in both English and Spanish
- Tamper-resistant design
- ADA compliant
- Remote management

Finish Options

+ Black | Silver | White
+ Custom Pantone color matching
+ Full-Color Lexan Laminated Graphics

Designed in the USA. Controlled End-to-End.

Meridian designs and engineers every solution in-house, with integrated oversight of quality and timelines from concept through completion. OEM solutions available upon request.
