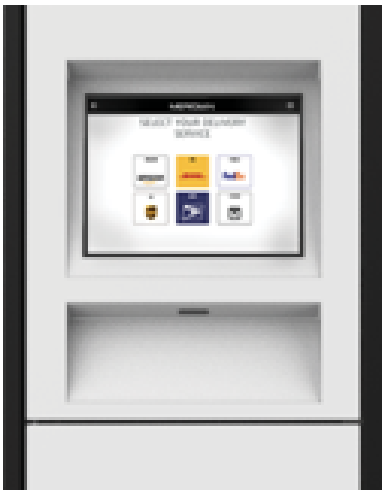
MERIDIAN
SMART LOCKER SOLUTIONS



Parcel Locker

Designed for Smarter Package Delivery. Simplified Pickup.

Modernize your community's delivery experience with Meridian's Smart Parcel Locker. This contactless solution combines secure package storage, smart notifications, and streamlined delivery in a compact footprint. Delivery drivers simply scan, load the package, and select the recipient's address to trigger resident notification. Designed to simplify the last mile, the Smart Parcel Locker provides a convenient, secure way for residents to receive and retrieve their packages.

Features:

- Real-time SMS notifications for residents
- 24/7 contactless package delivery and retrieval
- Tamper-resistant parcel storage
- Branded use interface
- Cloud reporting software
- System monitoring

Finish Options

+ Black | Silver | White
+ Custom Pantone color matching
+ Full-Color Lexan Laminated Graphics

Designed in the USA. Controlled End-to-End.

Meridian designs and engineers every solution in-house, with integrated oversight of quality and timelines from concept through completion. OEM solutions available upon request.
