MERIDIAN
SMART LOCKER SOLUTIONS

Visibility Tracking Locker

Designed for Secure, Flexible Transfers Beyond Office Hours

Designed for hybrid and traditional workplaces, Meridian's Visibility Tracking Locker provides HR and IT departments with a secure, convenient way to transfer items outside of normal office hours. Items are securely stored within a durable steel enclosure and accessed by the intended recipient using a personal QR code delivered directly to them. Eliminate the need to coordinate drop-off and delivery times between departments while maintaining secure, convenient access to important items.

Features:

- Various compartment sizes
- Tamper resistant locks
- Detailed usage reports
- QR code scanner
- Remote management

Finish Options

+ Black | Silver | White
+ Custom Pantone color matching
+ Full-Color Lexan Laminated Graphics

Designed in the USA. Controlled End-to-End.

Meridian designs and engineers every solution in-house, with integrated oversight of quality and timelines from concept through completion. OEM solutions available upon request.
