MERIDIAN
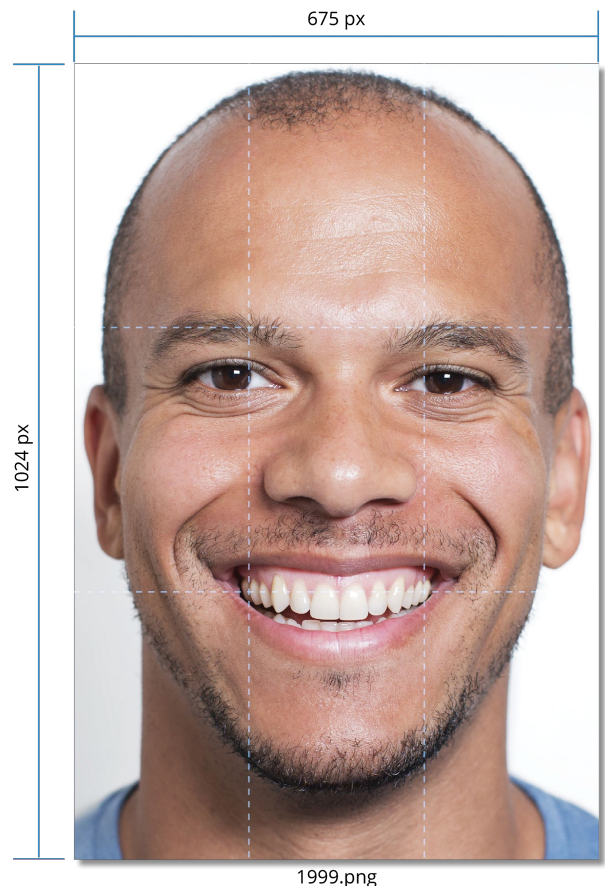

TEMPERATURE SCREENING KIOSKS

mzeromanage

Specifically designed to integrate with Meridian's Personnel Management Kiosk, MzeroManage enables kiosk administrators to import and edit a list of employees and their pictures. Please review these specific requirements for taking, saving, naming, and storing employee images.

EMPLOYEE IMAGE REQUIREMENTS

- Images must be zipped into a flat folder structure for import or added individually

- Images must be saved as a .JPG or .PNG image

- Images must be named after the employee ID. For example, if Joe Smith is employee ID 1999, their image must be named 1999.png or 1999.jpg

- Cannot exceed 500 kb in size

- Cannot exceed 4,096 x 2,688 pixels (recommended 1,024 x 675 pixel minimum)

- Must contain a face at least ⅔ of the entire photo area

- Face tilt, angle, and pitch must be looking forward and cannot exceed a vertical or horizontal threshold

- Cannot have a noisy background or contain pictures of other people in the background

- Cannot exceed 20,000 pictures in total
