

VIDEO WALL

MERIDIAN

High-Impact Digital Displays

Designed to command attention

Bring digital content to life with Meridian's 9-Panel Video Wall. Designed to amplify messaging with a bold, immersive display, the Video Wall creates an eye-catching focal point for corporate, retail, hospitality, entertainment, and other high-traffic environments. The modular panel configuration mounts to an existing wall or structure, while content can be easily managed through a computer or compatible device.
